

How to get the best out of Twinkl – a guide for parents.

Twinkl home learning resources:

1. On our Almond Hill support for learning document, click on the link for your child's year group:

Resources for parents to support remote learning.

Schools across the globe are responding to the outbreak of the Coronavirus. In some cases, schools have closed or are making preparations for a potential closure.

In order to support children learning from home, Twinkl are offering the teachers and parents of children in schools which are closed, or facing closure, free access to all Twinkl resources for a period of one month in the first instance.

Please visit: <https://www.twinkl.co.uk/offer> and enter the code **CVDTWINKLHELPS**

You can find the dedicated **Parents' Hub** which contains hundreds of educational activities designed for use at home. Take a look at the [5-11 page](#). This was created with parents in mind so it's filled with guides and information about what children should be learning in each year group, for each curriculum area.

Twinkl have also put together some packs for parents to use at home which can be found by following the links below:

KS2 Home Learning Packs can be found [here](#).

[Year 3](#)

[Year 5](#)

[Year 6](#)

2. This will take you to a landing page where you can find these free resources, tailored for your child's year group:

FREE Resource!
Why not download now?

The image shows a grid of various educational resources including challenge cards, science worksheets, and reading activities.

- There is an activity for each day and this covers a six-week period. Just click on the activity and it will take you to the Twinkl website where you can download the resources. All of these are suitable for your child's year group.

FREE Resource Save for Later

*** New * Year 3 School Closure Home Learning Resource Pack**

★★★★★ (6 member reviews)

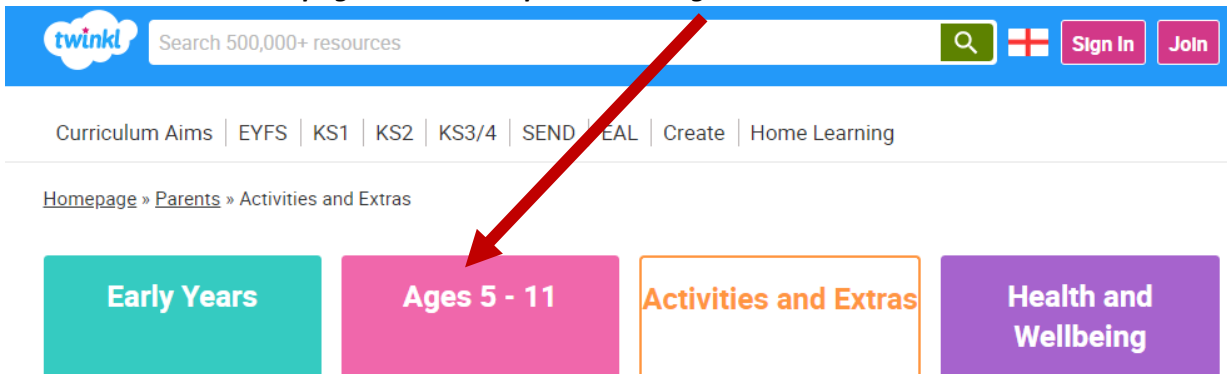

The image shows a preview of the resource pack content, including a multiplication table, a drawing of a knight, and a recycling symbol.

- A free home learning resource pack with a variety of activities across the curriculum for your child's year group. This will download as a folder.

3. From the landing page you can find more resources by clicking on "Activities and Extras"

4. You will be taken to this page. Click on the pink button Ages 5-11.

Activities and Extras - Games

The importance of play from a very early age is enormous. You'll learn to bond with your child, while also developing their creativity and emotional resilience. We have a wealth of activities for you to explore at home with your little one, from ways to passing long car journeys to honing their numeracy skills with a wide range of maths games. Why not take a look at this fun Food-Themed What Am I? Guessing Game or this engaging board game to practise plurals?

<https://www.twinkl.co.uk/resources/parents/age-specific-resources-parents/english-main-subjects-parents>

5. On this page you can now select any part of the curriculum and different topics within. See below for a guide of the relevant learning for your child:

Early Years | **Ages 5 - 11** | Activities and Extras | Health and Wellbeing

Ages 5 - 11 - English

Our English activities and worksheets are lovingly designed to help encourage and inspire your child's learning journey. If you are unsure where to start we have created these guides below in blue to help you help your child.

Health and Wellbeing - Home Routines

Organise your child's routine, track their height and get ideas for games in this page. Have a look at our [Days of the Week Snap Game](#) or download this [pack of ideas for organising your home and family routines](#).

6. When you download from Twinkl, it will ask you to make an account. Add a valid email address and the code sent to you by the school: **CVDTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a search bar with the Twinkl logo and a search icon. Below the search bar, there are navigation links for Curriculum Aims, EYFS, KS1, KS2, KS3/4, SEND, EAL, Create, and Home Learning. The main content area displays the resource title 'Science: Rocks: Soil Formation Year 3 Lesson Pack 5' with a 5-star rating and '(7 member reviews)'. Below the title, there are several preview images of lesson materials, including a video player, a worksheet titled 'What Is Soil Made Of?', a worksheet titled 'Creating Compost Step 5', a worksheet titled 'Rocks Soil Formation', a worksheet titled 'Creating a Mini Compost Bin', and a worksheet titled 'Adult Guidance'. At the bottom of the preview area, there are three buttons: 'Save this to my Google Drive', 'Subscribe to save', and 'Unlimited Premium Download'.
