

How to get the best out of Twinkl – a guide for parents.

Twinkl home learning resources:

- 1. On our Almond Hill support for learning document, click on the link for your child's year group:**

Resources for parents to support remote learning.

Schools across the globe are responding to the outbreak of the Coronavirus. In some cases, schools have closed or are making preparations for a potential closure.

In order to support children learning from home, Twinkl are offering the teachers and parents of children in schools which are closed, or facing closure, free access to all Twinkl resources for a period of one month in the first instance.

Please visit: <https://www.twinkl.co.uk/offer> and enter the code **CVDTWINKLHELPS**

You can find the dedicated **Parents' Hub** which contains hundreds of educational activities designed for use at home. Take a look at the [5-11 page](#). This was created with parents in mind so it's filled with guides and information about what children should be learning in each year group, for each curriculum area.

Twinkl have also put together some packs for parents to use at home which can be found by following the links below:

KS2 Home Learning Packs can be found [here](#).

[Year 3](#)

[Year 4](#)

[Year 5](#)

[Year 6](#)

- 2. This will take you to a landing page where you can find these free resources, tailored for your child's year group:**

FREE Resource!

Why not download now?
