

MFL at
Almond Hill Junior School
2022-2023

"One language sets you in a corridor for life. Two languages open every door along the way."

September 2022

Subject intent Statements

By the end of KS2 children at Almond Hill will...

- have the ability to listen attentively, show engagement and understanding by responding confidently to spoken language within a taught topic area. They will present information orally to an audience. Children will have developed a perseverance to demonstrate accurate pronunciation and intonation. They will have the opportunity to appreciate stories, songs, poems and rhymes in the language (**speaking and listening**).
- have an increased stamina for reading and writing. This will develop through KS2 from words to short phrases to sentences of varying length. Children will use their developed understanding of patterns and sounds together with school resources (including texts, dictionaries and working walls) to recognise when writing is in another language (**reading and writing**).
- have an open mind and appreciate French **culture** (or current MFL studied) and the differences between this and their own. Children will have an increasing awareness of current cultural climate. This includes principles and events of not only their own country and countries of languages studied but also **internationally** - of the wider world.
- the teaching will provide a balance of spoken and written language and will lay the foundations and curiosity for further language teaching and learning at Key Stage 3, including transferable skills to recognise patterns in phonics, pronunciation and grammar.

Implementation

- Weekly lessons based on planned topics
- Two whole school events designed to promote languages enjoyment and immersion
- Weekly greetings/instructions introduced in assemblies and reiterated by all members of staff where appropriate across the week
- Displays and word banks in classrooms including current flashcards for the taught unit

Topics taught across the Key Stage

	Autumn	Spring	Summer
3	I am learning French Les Animaux	Les Instruments Je peux	L'ancienne L-Histoire de la Grand Bretagne Le corps
