

Almond Hill Junior School Project

Welcome from the site team

Welcome to the first edition of the Kier Newsletter for the Almond Hill Junior School project. Kier has been appointed by Hertfordshire County Council to construct a new build education facility along with a new hard play area within the existing School grounds. This new facility will provide modern teaching facilities including 6 new classrooms.

These regular publications are aimed at keeping you updated with progress on site. We will highlight recent construction works, as well as what to expect in the upcoming months.

The programme

Enabling works are due to commence on 30 January 2017. Construction works associated with the new build are due to commence on the 2nd February 2017 with expected completion by the end of August 2017

Who are we?
