

## Almond Hill Junior School Project

### Welcome from the site team

Welcome to the latest edition of the Kier Newsletter for the Almond Hill Junior School project. These regular publications are aimed at keeping you updated with progress on site. We will highlight recent construction works, as well as what to expect in the upcoming months.

### The programme

Works commenced on 30 January 2017 as planned, with expected completion by the end of August 2017.

### What we have achieved so far

We have now completed foundations and the ground floor slab to the new building.

Tarmac has been laid to the new play area.

Timber hoarding has been erected to the perimeter and monitored CCTV installed.

### Who are we?

Kier Construction operates throughout the UK, and this project is delivered by the Eastern region, and managed out of our Waterbeach Office.

To find out more information about the Eastern region of Kier, please visit our website:

[www.kier.co.uk/eastern](http://www.kier.co.uk/eastern)

### How to contact us

Safe pedestrian access for visitors will be provided to our site office, so please feel free to visit us to discuss and queries.

Our nominated site contact is Andy Gruncell

T: 07583 105704.

Andy can be contacted during normal working hours.

### Write to us

Alternatively, you can write to us at our main office:

Kier Construction  
Building 3000  
Cambridge  
Research Park  
Waterbeach  
Cambridge  
CB25 9PD

T: 01223 205900

Many thanks to Josh, for his fantastic drawing of an excavator at work. The original is on display in the site canteen

The site is registered with the Considerate Constructors scheme. As part of our commitment, we will do what we can to minimise disruption from the project.

#### Deliveries and site traffic.

Our deliveries are planned to avoid busy school start and close times. We will therefore avoid deliveries between 08.00-09.15 and 14.45-15.30

#### Car Parking.

Kier staff and contractors will park in dedicated contractors parking facilities located within the site compound

#### Site Working Hours

Our site working hours are 07.30 – 17.30 Monday to Friday

### Works planned for the next few weeks.

Erection of the structural frame (cross laminated timber) will commence on Monday 20<sup>th</sup> March. A mobile crane will be used to erect the frame and will arrive on site Wednesday 22<sup>nd</sup> March. The frame is programmed to complete 18<sup>th</sup> April.

If you have any concerns, please do not hesitate to contact us.

**Thank you for taking the time to read this newsletter.**
