12th January 2017

Dear Parents,

The current weather forecast indicates that there may be some snow for a couple of hours early tomorrow morning. The unpredictability of this may cause some last minute disruption. We will endeavour to keep you updated, however please do not send or drop your child at school without checking that staff have arrived.

School Closure Notification System

Along with many other local schools we are now set up to use a new system to inform parents/carers of times when the school may need to be closed in an emergency e.g. bad weather. To receive these communications please register following this link:-

<https://member.everbridge.net/index/892807736725489>

This link will direct you to the “Sign Up” page where you should click on the “Sign Up” button located at the top right hand side of the page on the grey strip and from there follow the instructions. It should take no more than 5 minutes to register and you can edit your information at any time should you change your mobile number or email address.

Each contact can have 2 devices added for each communication type if you wish to – this means that in addition to adding your own mobile number and email address, you could include the mobile number and email address of a partner or a grandparent in your registration process. They too would then receive any messages in relation to the school’s closure. Alternatively, interested parties could register themselves separately.

If a parent / guardian has children at more than one school they can register for those schools too in a single registration process by selecting all schools they have children at.

Yours sincerely,

Mrs J. Lovelock
Head Teacher
