	Ice Cream Fridays			

We understand that with the current cost of living crisis, many of our parents are facing challenges or finding things more difficult than usual. We are committed to ensuring that no child misses out on school experiences due to financial difficulties. To help ease the burden, we offer preloved uniform sales, book sales and we also fund or subsidise events ourselves.

We thought it would be helpful to provide parents with advance notice of some of the planned events for the year to assist with budgeting and planning. Below, you'll find a table of events organised by year group. Additional fundraising events may be arranged throughout the year by our school government (once elected), FOAH, or charities, but participation in these will always be optional.

If cost ever becomes a barrier for your child to take part in school events, please don't hesitate to contact Mrs. Burgess, who will be happy to explore available support in strict confidence.

Key:-

 	Funded by school
 	Parental choice
 	Contributions requested (if insufficient contributions are received the trip may be cancelled)
 	Charity fundraising (optional)
 	FOAH events (optional)
