

September 2020

Welcome back to a brand new term in year 6. It's wonderful to have everyone back at school again. Things are a little different to the way they were the last time we were all together, but everyone is keeping a smile on their faces as we all adjust to the changes. We also have some new faces among the teaching staff in year 6. Mrs Osborne has joined us from year 3 and we are delighted to welcome Ms Stewart who has just joined Almond Hill. 6S are helping her settle in! Learning Behaviour is really important for all the children at Almond Hill but especially year 6 who are ambassadors and role models for the rest of the school. We use these learning behaviours every day to help us work together and enjoy our learning

We have started the term with some English writing based on a book by Anthony Browne called Voices in the Park. The children have written some fantastic poetry and stories.

We are learning all about volcanoes and mountains in geography and decided to create our own volcanic eruption!

Luckily, we were all able to escape from the exploding lava!
