Baseball Caps

School to add these to the uniform section of the website. The option to purchase is on School Gateway and once purchased it disappears. VB to look into a woolly hat option – current supplier able to do this with the same logo and will supply prices.

Halloween Chocolate Jars

Delivered to school. Children able to guess the number of sweets next week in class.

Christmas Card Templates

184 templates were returned. Currently awaiting proofs.

Standon Calling

If FOAH advertise a link to the ticket sales they will get 15% of sales. A banner will be provided to go outside of school.

Sundown Cinema

Could offer the field as a venue to run one of their events with FOAH receiving a % of the sales. This would be considered offering a children's/family film for an early viewing. AC will look further into this including whether refreshments could be sold.

Christmas Present Room – Friday 9th December (tbc)

JM to confirm this date.

Events in School

FOAH to consider selling refreshments at the new parent's open evening on 10th November and nativities on 6th and 7th December at 6.00pm (check if a license is needed if mulled wine sold).

Other Ideas for Consideration

Selling biscuits – VB has arranged a sample to be dropped off at school. FOAH could take orders as these for gifts for Christmas or for special occasions e.g. Halloween.

Tuck shop

Buy a numbered square for a nominal amount – proceeds to the winner.

New volunteers always welcome - it is likely that JM will step down as chair next year.

Inflatable Day - not going ahead as the company are fully booked.
