

**PHYSICAL EDUCATION
AT
ALMOND HILL JUNIOR
SCHOOL**

2022-2023

SUBJECT INTENT STATEMENT

At Almond Hill Junior School, we believe our physical education curriculum should inspire all pupils to succeed and excel in competitive sport and other physically-demanding activities.

We aim to provide all pupils with opportunities to become physically confident in a way which supports their health and fitness. Through the different sports and activities taught at Almond Hill, we aim to build character and help to embed values such as fairness and respect in all pupils.

We aim to provide pupils with a varied curriculum in which a range of different sports and activities are covered. The skills taught should be built upon across the key stage.

As pupils grow and develop, we encourage them to become more independent and take on leading roles within P.E. lessons e.g. by leading warm ups / officiating games.

We intend for pupils to have access to a range of equipment and an understanding of how to use it safely and accurately to achieve best results.

We encourage pupils to become reflective in their P.E. lessons so that they are able to identify how best to improve own performances as well as the performances of others.

We promote extra-curricular clubs and encourage all children to attend.

We seek links with our feeder infant school to gain a knowledge of P.E. skills covered at KS1 and it is intended that taught skills build on previous teaching across the key stage.

Our P.E. curriculum strives to meet all objectives set in our Sports Premium plan.

Implementation

Each class has two hours of P.E. taught in one hour blocks per week. Across the key stage, the following areas of P.E. are taught:

- Gymnastics
- Dance
- Games
- Athletics
- OAA
- Swimming

P.E. is delivered by the class teacher. We also have access to a Sports Coach for three afternoons each week who will deliver some P.E. lessons, team teaching alongside the class teacher.

At different points during the year, external agencies may deliver some P.E. lessons e.g. Stevenage Sporting Futures, Stevenage Borough Football Club, Stevenage Rugby Club. ***This provision has not been able to currently take place due to Covid-19 restrictions.***

Some P.E. sports funding is used to access Stevenage Sporting Futures, who organise festivals and competitions throughout the year. The curriculum has been designed to run alongside the organised festivals / competitions. Throughout the year, various children are chosen to represent the school at these festivals. ***At present, the curriculum has been adapted so that some areas have been taught earlier / later in the year due to Covid-19 restrictions.***

Some pupils will have the opportunity to play as part of a team to represent the school at sporting fixtures e.g. football, netball, basketball etc. ***Currently, inter-sporting fixtures and competitions are not taking place due to Covid-19 restrictions. However, pupils have been able to take part in intra-bubble competitions as well as virtual competitions against other schools in Stevenage.***

Throughout the year, children have access to a range of extra-curricular sports clubs which run at lunchtimes and after school. ***These are not currently being offered at this time due to Covid-19 restrictions.***

Pupils attend swimming lessons for one term in year 4, with additional lessons provided later in the key stage for those pupils who have not previously met the expected standard of being able to swim 25 metres. ***Pupils have not been able to partake in swimming lessons this year due to Covid-19 restrictions.***

All pupils take part in 'The Golden Mile' each week, outside of P.E. lessons to further promote being active and healthy lifestyles.

We have a group of year 6 sports leaders who work alongside the class teachers and PE co-ordinator to run activities at lunchtimes for the rest of the school. They also help to run clubs and the delivery of P.E. lessons. ***Sports leaders are due to receive training virtually in the summer term.***

Throughout the year, we take part in a range of intra and inter school competitions to promote competitive sport as well as embedding values such as fairness and respect. ***Currently intra competitions are taking place within bubbles and inter competitions are taking place virtually.***

Adaptations for SEND pupils:

As a school we aim to provide an inclusive P.E. curriculum which is accessible for all pupils. Lessons may need to be adapted to provide appropriate provision for pupils with SEND. This could be in the form of any of the following:

- Adapted tasks
- Adapted resources / equipment
- Reduced / extended space to use
- Additional support
