Possible Events Summer Term

Inflatable day – DC to share information with SH about a company used by another school and SH will check availability for a weekend in the summer.

Car Boot Sale – EF to gauge interest on the weekly newsletter. If this goes ahead pre loved uniform could be sold along with refreshments. Donations could be sent in if people don't have enough for their own car.

Penny Jars – JM to source jars.

Sport's Day Refreshments – SH to ask for volunteers.

Raffle – could be tied in with inflatable day or tickets sold at sports day. VB to contact companies for prizes. If not linked in with inflatable day then raffle to be drawn in school towards the end of term.

Ice Cream Fridays – very popular evenings. Committee to seek volunteers to run this.

Other Business

Thank you to FOAH for money spent on wet play games. Outdoor games have been purchased and funds for this will be transferred. FOAH have agreed to fund year 6 leaver hoodies and books.

Card reader machine – AC has looked into this further.

Two different types : upfront cost of £46.80 then 1.69% on each payment or £29.00 upfront and 1.75% on each payment. The second option is used by LINS PTA. AC will get this set up.

New Committee

Most of the volunteers have been on the committee now for four years and will be leaving at (if not before) the end of term. This potentially only leaves one signatory on the committee. The AGM is due in June and the committee will be standing down. New members at the next meeting in May would allow for a handover period. EF to add this to the newsletter and ask LINS year 2 parents if anyone is interested in taking on these roles.

Next meeting : Monday 15th May at 6.00pm (TEAMS) – link to be sent out at 4pm on the day as a reminder.
