HOME LEARNING

Adapted Challenge

Age Expected Standard
Challenge

Extra Challenge
(Optional)

Home learning is sent home on a **Thursday** and is due the following **Tuesday**.
If it is not returned on the due date, staff will spend break or playtime with the children to support their learning.

Ideally the children will be able to:

- Complete the work independently
- If unable, they can ask their class teacher for extra support

Please sir...May I
have some
more?!

Optional (additional) extra challenge

READING

Regular reading rehearsal at home is crucial for building reading fluency which is transferrable to every subject.

The following books will be sent home or offered:

- **Colour banded reading books** (even for free readers)
- **Books for fun** from the class library (these are offered but the children do not always wish to borrow them)

Children are able to change their books once they have finished them. First thing in the morning is a good time to ask an adult in class if they can do this.

Last year, we spent £8,000 purchasing exciting, appropriate and varied reading books. There's something for everyone!

SCHOOL UNIFORM

PE UNIFORM

THE AUTUMN LONG TERM PLAN

Subjects	Autumn 1	Autumn 2

Responsibilities Respect Actions and consequences	Stereotypes The future Enterprise
Justice and fairness Human responsibilities and values	Ultimate questions
Writing visitors Sports day	

PARENTS' EVENING

In response to parent feedback, the school is trialling a hybrid of **online** and **face to face** meetings for the parent evenings.

We hope that this helps parents and carers to attend with more ease.

Transforming the centre of Stevenage

Stevenage Borough Council is leading a programme of regeneration, working with leading developers to reach our ambitious targets for regeneration. Explore the projects below.

Completed

This year we are really excited to join in with a local community project based on the regeneration of Stevenage. The children will be visiting the town centre and taking part in a variety of activities.

We will be planning these visits during the school day and will be asking for some parent helpers, so if you are interested please let us know!

TT ROCKSTARS

In your child's home learning book, you will see login details to TT Rockstars, this is an online times table program that we purchase to help the children practise their times tables in a fun and engaging way.

When they first use TT Rockstars they will see lots of different times tables as the algorithms learn which ones each child knows and needs to practise. If you have any concerns about this, please speak to your child's class teacher as they can set a limit on the tables they see, on some of the games the children play.
