HOME LEARNING

Adapted Challenge

Age Expected Standard
Challenge

Extra Challenge
(Optional)

Home learning is sent home on a **Thursday** and is due the following **Tuesday**.
If it is not returned on the due date, children will be expected to complete on Tuesday lunchtime.

Ideally the children will be able to:

- Complete the work independently
- If unable, they can ask an adult for extra support

Please sir...May I
have some
more?!

Optional (additional) extra challenge

READING

Regular reading is crucial for building reading fluency which is transferrable to **every** subject.

The following books will be sent home or offered:

- **Colour banded reading books** (for children who are not yet meeting the age-related expectations)
- **Books for pleasure** from the class library (these are happily offered yet must be returned)

We spent £8,000 last year purchasing exciting, appropriate and varied reading books. There's something for everyone!
