ALMOND HILL JUNIOR SCHOOL MEDIUM TERM PLAN
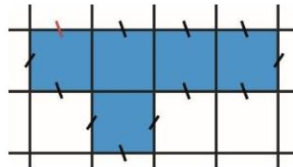

TOPIC TITLE/SUBJECT: Perimeter (LS13)   **YEAR GROUP: 4**   **TERM: Autumn 1**

Vocabulary	Skills	What we already know
Perimeter Distance Shape Squares Rectangle Rectilinear Measure Repeated addition Multiplication	• Calculate the perimeter of rectangle shapes (with missing sides) and rectilinear shapes • Learn how to calculate perimeter using multiplication • Problem solve with questions relating to perimeter	• Properties of shapes (sides, angles) • Perimeter is a measure of the distance around the outside of a 2D shape • Some strategies to calculate perimeter of rectangles and rectilinear shapes (e.g., using repeated addition to add the lengths of the sides)
