STEP SKILLS
PREPARE FOR SUCCESS IN HERTS

Protecting Children Online

Online | 2 weeks

Learning in the community for Hertfordshire residents aged 19+

Join this two-week workshop to learn how to protect yourself and your children from online threats. The internet can be exciting for children and young people, but it's crucial to know how to shield them from inappropriate content and contact. Discover the importance of a healthy relationship with technology and increase your awareness of online usage. Learn different tools to develop, monitor and maintain healthy tech habits.
